NEWSLETTER JANUARY 2025

Happy New Year! Thank you to everyone that attended the Christmas Luncheon. We had excellent food, entertainment and visiting and we hope you all had a good time. What a wonderful group of volunteers we have!!

As we begin a new year at Abbotsford Peer Support, we have some news to share with you all. Our Volunteer Coordinator Karen has decided to step down from her position. Karen has been the Volunteer Coordinator for many years and will be greatly missed around the office. We are very happy though that she will still be a volunteer with Peer Support, so we are blessed to continue to have her be a part of our lives. We wish you all the best Karen and Thank You for all that you do!!

This means that we are now hiring a new Volunteer Coordinator in January. The position is best suited to someone with excellent interpersonal and communication skills with seniors and be familiar with Microsoft programs. This is a long-term part time position (12-15 hours per week). They must have their own transportation as client visits are required. If you are interested or know of anyone you think might be interested, please have them email their resumes to admin.seniors@telus.net by January 3rd, 2025. Thank you.
